RE: Natural Gas Supplier License Application

Dear Ms. Carvalho:

On August 3, 2026, the Pennsylvania Public Utility Commission (Commission) received EAH Energy LLC's Application for a Natural Gas Supplier (NGS) license. On September 4, 2026, the Commission notified EAH Energy LLC through a Secretarial Letter that its NGS license Application was not properly completed and contained deficiencies that must be corrected and submitted within 20 days. The Secretarial Letter stated that failure to timely respond would result in the Application being deemed rejected[1] and the docket closed. To date, a corrected and complete application has not been filed with the Commission.

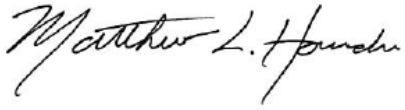

Given EAH Energy LLC's failure to correct the deficiencies and provide a complete NGS license Application, the Commission deems EAH Energy LLC's NGS license Application unacceptable and therefore it is rejected without prejudice. The Application fee is a processing fee and NOT refundable.

Please be advised that if EAH Energy LLC were to resubmit an Application for an NGS license, it must file a complete NGS license Application and submit a filing fee of $350.
