Re: Petition of PPL Electric Utilities Corporation for Approval of Its Non-Bypassable Customer Protection Transmission Rider, Elimination of Its Transmission Service Charge, Changes to Its Generation Supply Charges, Changes to Its Retail Tariff, and Changes to Its Electric Generation Supplier Coordination Tariff
Docket No. P-2026-3065185

Petition of PPL Electric Utilities Corporation for Waiver of Any and All Regulations Necessary to Implement the Company's Proposals
Docket No. P-2026-3065186

Petition of PPL Electric Utilities Corporation for Amendment of Its Default Service Program and Procurement Plan for the Period June 1, 2025, through May 31, 2029
Docket No. P-2024-3047290

Pennsylvania Consumer Advocate v. PPL Electric Utilities Corporation
Docket No. C-2026-3065756

Dear Secretary Homsher:

PPL Electric Utilities Corporation ("PPL Electric" or "Company") hereby provides notice that the Company has voluntarily agreed to extend the applicable nine-month deadline for approval of amended default service programs by the Pennsylvania Public Utility Commission ("Commission") under 66 Pa. C.S. § 2807(e)(6) and 52 Pa. Code § 54.185(b) until after the Commission issues a final order in the above-captioned proceedings, and that by doing so PPL Electric is waiving its right for the pending amended Default Service Program and Procurement

Plan ("DSP VI") to be deemed approved by the Commission, or implemented by the Company, should the Commission not issue a final order prior to the nine-month deadline.

PPL Electric requested approval to amend its existing DSP VI as part of the Company's Petition filed on September 14, 2026, requesting that the Commission approve: (1) the Company's non-bypassable CPTR to recover all Network Integration Transmission Service ("NITS") costs and certain other transmission costs and to allocate certain network upgrade costs to Rate LP-6; (2) the elimination of the Transmission Service Charge ("TSC"); (3) changes to the Generation Supply Charges to include the costs currently recovered under the TSC that will not be recovered through the CPTR, along with the associated net over or undercollection balance; (4) the proposed amendment of PPL Electric's existing DSP VI to incorporate the programmatic and process changes that are necessary to implement the non-bypassable CPTR, elimination of the TSC, and the changes to its Generation Supply Charges; (5) the Company's changes to its Retail Tariff, Electric Pa. P.U.C. No. 202 ("Retail Tariff"), and its Electric Generation Supplier Coordination Tariff, Electric Pa. P.U.C. No. 2S ("Supplier Tariff") that are needed to implement the non-bypassable CPTR, eliminate the TSC, and make the changes to the Generation Supply Charges, as set forth in the *pro forma* Retail and Supplier Tariff supplements; and (6) waivers of any and all Commission regulations that are needed to implement PPL Electric's proposals ("CPTR Petition").

In light of the filing date of the CPTR Petition, the Commission's last public meeting prior to the original nine-month deadline under 66 Pa. C.S. § 2807(e)(6) and 52 Pa. Code § 54.185(b) is scheduled for June 10, 2027.

On October 29, 2026, PPL Electric filed an unopposed Motion to Consolidate Proceedings and Waive the 9-Month Deadline Under 52 Pa. Code § 54.185(b) ("Motion to Consolidate"), which requested that the above-captioned proceedings be consolidated because PPL Electric's CPTR Petition and the Office of Consumer Advocate's ("OCA") Formal Complaint filed pursuant to Section 1309 of the Public Utility Code ("1309 Complaint") raise overlapping issues of fact and law and have several common parties and intervenors. In addition, PPL Electric requested a waiver of the 9-month deadline under 52 Pa. Code § 54.185(b) to facilitate a final ruling on the consolidated proceeding by the July 29, 2027 public meeting.

On November 3, 2026, a Prehearing Conference was held jointly for both PPL Electric's CPTR Petition and the OCA's 1309 Complaint, during which PPL Electric's unopposed Motion to Consolidate was granted and a litigation schedule was adopted targeting the July 29, 2027 public meeting for the Commission's final order. In line with the representations and requests made in its Motion to Consolidate, and to accommodate the adopted procedural schedule, PPL Electric represented to Administrative Law Judges John M. Coogan and Erin L. Gannon ("ALJs")and the parties that PPL Electric waived its right under 66 Pa. C.S. § 2807(e)(6) and 52 Pa. Code § 54.185(b), so that the Commission could issue a final order at the Commission's public meeting scheduled for July 29, 2027, without the Company's amended DSP VI being deemed approved by the Commission or implemented by the Company. At the Prehearing Conference, the ALJs directed the Company to file this letter regarding its agreement to extend the statutory deadline to July 29, 2027.

Copies of this filing are provided as indicated on the Certificate of Service.

Respectfully submitted,

Devin Ryan
